Email or Mail directly to Nancy Anderson at ASCIP or Anderson@ascip.org

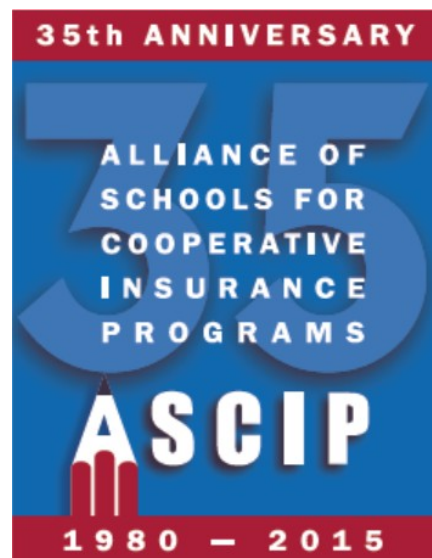

ASCIP was born in 1980! Help us Celebrate

Just like a Classic, which was innovative at the start, stands strong through time, continues to provide value and only improves with age, ASCIP's classic innovative, cost effective solutions and style continue to provide value to its members today.

Student talent must be from an ASCIP Member and Entries must be received by Friday, February 5, 2016 by 4:00 PM

Winners will be notified by February 19, 2016

ASCIP is looking for student talent to attend our Annual Membership Meeting as entertainment, which will take place Friday, March 4, 2016 in Cerritos, CA (*save the date*). We are especially looking for 1980's style sound.

Those selected to perform will be awarded a Grant for their school program ranging from \$1,000 to \$3,000.

Submit a disc or include a link to an online version with a short (approx. 5 minute) demo of your talent along with the completed form or same information. Any talent will be considered. Talent that best depicts our 1980's theme will be given greater consideration.

Alliance of Schools for Cooperative Insurance Programs
