

ASCP has partnered with Permission Click to design the '**ASCP Member Edition**' that comes preloaded with up-to-date templates for student travel.

- Permission Click **automates your forms, checklists, and approval flows** to ensure policies are being followed day to day across your district.
- Parents can **click and complete forms in seconds** on any device in over 100+ languages
- Staff have **one place to find, fill, and submit forms**, which follow your approval paths
- **IT-Free drag and drop Form Template building** your team will love
- Beautiful, real-time district-wide and **school-level reporting**

*"We were very thorough in policy and documentation. We needed to focus on **compliance** and **consistency**."*

Iain Riffle - Assistant Superintendent, Program, Pembina Trails.

We are your partner in **risk management** and **policy compliance**.

"Parents are assured of receiving the form rather than it getting lost in student's backpacks."

Teachers have emergency information on their phones during the field trip rather than carrying stacks of paper with them. And their customer service has been amazing!"

Susan Rutledge - Assistant Superintendent, Business Services
