***Do your students
have talent?***

ASCIPI is looking for talented students to attend our Annual Membership Meeting as the entertainment for our school district member attendees. We are seeking any type of creative talent—Improv, Mime, Music, Theatre, Spoken Word, Poetry, Magic, etc.

If selected to perform, a Grant will be awarded for your school program ranging from \$1,000 to \$3,000. While any talent will be considered, that which best depicts our theme - ***"ASCIPI's California Ventures"*** will be given greater consideration.

Our event will take place Friday, March 3, 2017 in Anaheim (save the date).
